CALTRANS COMMUTER ALERT

Date: June 12, 2012
District: District 12, Orange County
Contact: Office of Public Information
Phone: (949) 724-2000

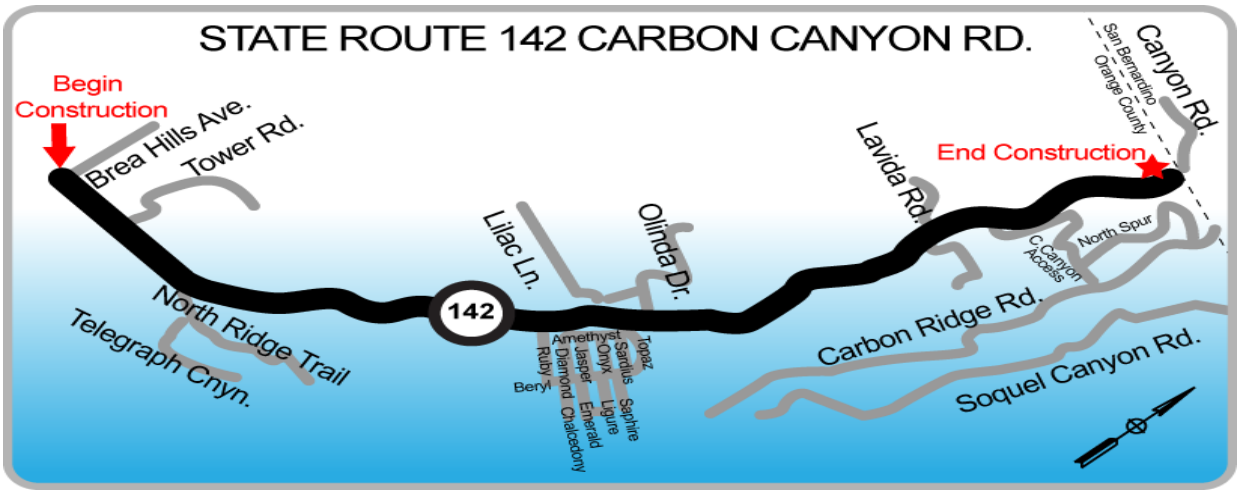
STATE ROUTE 142 (CARBON CANYON), FROM BREA HILLS AVENUE TO SAN BERNARDINO COUNTY LINE, RESURFACING AC IN BOTH DIRECTIONS

The California Department of Transportation (Caltrans) will be commencing a project to perform work on a four-mile stretch of State Route 142, Carbon Canyon, from Brea Hills Avenue to San Bernardino County Line. State Route 142, Carbon Canyon Road is a two lane (one in each direction) roadway. The project will require lane closure and would have major impact on local community commute.

The contractor for this project is All American Asphalt. The project will consist of grinding the existing roadway and resurfacing with asphalt concrete (AC) in both directions and miscellaneous related work. The project will begin June 18, 2012 and finish with an anticipated date of late September 2012.

Work will be performed on weeknights from 9:00 p.m. to 5:00 a.m. The contractor will also be working four weekends with tentative dates of July 14, July 21, July 28 and August 4. The work weekend schedule will be between 9:00 am to 8:00 p.m. Caltrans will provide all necessary updates as they become available.

Disclaimer: Due to unforeseen operational factors or inclement weather, these times and dates may change.



The work is being done to preserve and extend the pavement life to provide a smoother surface that greatly enhances the ride quality along Carbon Canyon.

For more information on this project you may contact the District 12 Public Information Office at (949) 724-2000 or log on to the Caltrans website at www.dot.ca.gov/dist12 .You can also visit us on Facebook at www.facebook.com/pages/Caltrans-District-12 and Twitter at https://twitter.com/Com

SLOW FOR THE CONE ZONE

California law requires vehicles to safely reduce speed, move over, and merge into unoccupied lanes when emergency vehicles, construction vehicles, or tow trucks are displaying flashing warning lights.

MOVE OVER

Caltrans reminds motorists to use extra caution and reduce speeds when driving through construction zones.

State Route 142 | Carbon Canyon Road

Project Description

State Route 142, Carbon Canyon, two lane roadway (one lane in each direction), is a secondary connector for traveling motorist from Orange County, Los Angeles, and San Bernardino County. For many years, State Route 142 has been a gateway to businesses within the City of Brea.

The project contractor will be All American Asphalt. The project cost estimate is 1.6 million for Capital Preventative Maintenance which includes Resurfacing Asphalt Concrete (AC) in both directions. Anticipated completion date is late September 2012.

The work being done is to preserve and extend the pavement life to provide a smother surface that greatly enhances the ride quality along State Route 142.

Project Details

The purpose of the project is to resurface with AC in both directions at post-mile 2.5/6.3 and other miscellaneous related work. The work will be performed on weeknights from 9:00 p.m. to 5: 00 a.m. The contractor will also be working four weekends with tentative dates of 7/14, 7/21, 7/28 and 8/04. The weekend work schedule will be between 9:00 am to 8:00 p.m. Caltrans will provide any necessary updates to this schedule in advance.

Planned Closures

State Route142 will require lane closure and would have major impact on local community commute and an anticipated 30 minute delay. Changeable message signs will be posted and flaggers will be directing traffic when closures are in effect. Motorists are asked to be please patient during this construction period.

Disclaimer: Due to unforeseen operational factors or inclement weather, these times and dates may change.
