Town Hall Meeting Cancelled and Will Be Rescheduled at a Later Date

The Town Hall Meeting regarding the Tehachapi Renewable Transmission Project that was scheduled for Wednesday, February 22, 2012 has been cancelled and will be rescheduled at a later date. Southern California Edison and the City of Chino Hills began an Alternative Dispute Resolution process which was made available to the parties by the California Public Utilities Commission (CPUC) on Tuesday, February 14, 2012. The City of Chino Hills is still engaged in the dispute resolution process and once it is complete and there is new information to report then the City will promptly reschedule the Town Hall Meeting to update the public.
