MOBILE PET VACCINATION AND MICROCHIP CLINIC ON FRIDAY, AUGUST 16 AT THE CHINO HILLS COMMUNITY CENTER

Chino Hills, CA – The City of Chino Hills in partnership with the Inland Valley Humane Society (IVHS), will host a mobile vaccination and microchip clinic for dogs and cats on Friday, August 16 from 5:00 pm to 6:00 pm outdoors at the Chino Hills Community Center gazebo, located at 14250 Peyton Drive. Single vaccines will be offered at costs ranging from \$10 to \$18, as well as combination packages from \$22 to \$32, and microchipping for \$30 per pet. No advance reservations required.

In Chino Hills, all dogs over four months old are required to be microchipped under the City's Getting 2 Zero program to increase the likelihood of lost pets being identified and returned to their rightful owners quickly. The City provides a rebate of up to \$30 for dogs properly licensed. To learn more about the microchip rebate program and how to request a rebate, visit www.chinohills.org/Getting2Zero.

Payment will be accepted on-site by card or cash. The event is first-come, first-served. Single vaccinations will be \$10 for rabies, \$15 for Bordetella, \$15 for DHPP, and \$18 for FVRCP. Dogs must be on a leash and cats must be brought in carriers or will be turned away. Any pets that cannot be safely restrained will be turned away. For questions, please contact IVHS at (909) 623-9777.
