CITY OF CHINO HILLS RESIDENTS ARE INVITED TO ATTEND A FREE EMERGENCY PREPAREDNESS WORKSHOP ON THURSDAY, SEPTEMBER 19

Chino Hills, CA – The City of Chino Hills will host a free Emergency Preparedness Workshop on Thursday, September 19, 2024, at 7:00 pm at the Chino Hills Community Center, located at 14250 Peyton Drive. Residents will be provided with important emergency preparedness and response information to ensure their families are adequately prepared for an emergency.

City of Chino Hills staff will teach residents how to build their family's emergency preparedness kit, the actions to take during an earthquake, and how to sign up for the City's Emergency Alert system. Chino Valley Fire District (CVFD) will discuss the importance of wildfire preparedness, defensible space, and wildfire terminology used during an emergency event. The Chino Hills Police Department (CHPD) will walk residents through evacuation procedures and emergency communications.

In addition to the City of Chino Hills, CHPD, and CVFD, various other community partners and local agencies will be in attendance and available to provide emergency preparedness information such as the American Red Cross, Chino Hills Auxiliary Radio Team, Inland Valley Humane Society & S.P.C.A, LifeStream, Southern California Edison, and SoCalGas.

At the end of the presentation, all attendees will receive a free emergency magnetic light while supplies last, and raffle prize winners will be announced. For questions on the workshop or for more information on the City's Emergency Preparedness Program, please visit www.chinohills.org/EmergencyPreparedness or call the City's Emergency Services Coordinator at (909) 364-2713. The City's Fall "In the Hills" brochure incorrectly listed the date of the workshop as September 28, but the correct date of the event is September 19.
