CITY OF CHINO HILLS INVITES RESIDENTS TO SHARE FEEDBACK ON QUALITY OF LIFE

Chino Hills, CA – The City of Chino Hills wants to hear from residents about the quality-of-life factors that matter most to them through a new community survey. The short survey takes less than five minutes to complete and gives residents the opportunity to express their opinions on a variety of topics that will help guide the City's future, including crime, wildfire safety, open space protection, economic development, infrastructure maintenance, housing, parks, and City finances.

The online survey is open now at www.chinohills.org/QOLSurvey and will remain available through Thursday, October 16. Survey results will be presented to the City Council during its priority-setting session in January 2026. The survey is available in English, Chinese, and Spanish. For questions, please contact the City of Chino Hills at (909) 364-2610.
