The City of Chino Hills will hold a public workshop on Tuesday, July 9<sup>th</sup> from 5:00 – 6:30 p.m. in the City Council Chambers at City Hall, 14000 City Center Drive. Community input is sought regarding the Community-owned Open Space Encroachment Enforcement program and possible modifications which could include a for-sale component for existing encroachments under certain conditions.

A presentation is planned which will cover an overview of the open space program, a review of the current Encroachment Enforcement Program, and a discussion on the possible sale of open space. A postcard was mailed to each household in Chino Hills to encourage the community to attend and provide input to the City Council. For additional information, please call (909) 364-2715.
