**NON-PROFITS INVITED TO ATTEND A MANDATORY
COMMUNITY DEVELOPMENT BLOCK GRANT APPLICATION WORKSHOP
WEDNESDAY, NOVEMBER 20th**

The City of Chino Hills will hold a mandatory application workshop for non-profit organizations who may be interested in applying for funds as part of the 2014-2015 Community Development Block Grant (CDBG) program. The Cities of Chino Hills and Chino will conduct a joint workshop at 10:00 a.m. on Wednesday, November 20th at the Carolyn Owens Community Center – University Hall, 13201 Central Avenue, in Chino. Applications will be available at the workshop and on the City of Chino Hills website at www.chinohills.org/CDBG. All non-profit organizations that meet federal guidelines are eligible to submit an application, including faith-based organizations. CDBG funds are paid to the non-profit on a reimbursement basis after services are delivered and results documented.

Chief among the eligibility requirements are that the non-profit service projects meet community service needs for income-qualified residents. Examples of currently-funded programs include services for battered women and their children, housing mediation, childcare, literacy services, legal services, and meals for seniors. Non-profit organizations are required to provide a brief history of their organization, the mission statement of the organization, how the proposed project fits into the organization's goals, and the ability of the organization to carry out the project.

Successful applicants will be required to submit quarterly reimbursement requests and performance reports.
