PARKS AND RECREATION COMMISSION SETS DOG PARK WORKSHOP - WEDNESDAY, JANUARY 15th

The Chino Hills Parks and Recreation Commission is seeking input from the community as they review opportunities to potentially create a dog park in the City. A Dog Park Workshop has been scheduled on Wednesday, January 15th from 5:00 – 6:30 p.m. in the Council Chambers at City Hall, 14000 City Center Drive. Staff will make a presentation and provide background and information on earlier efforts to develop a dog park. Attendees will break into small groups to brainstorm and share their opinions on a variety of topics related to a dog park at an existing park site, including what features are necessary. Persons who are unable to attend are invited to submit their input by sending an email to cfructuoso@chinohills.org or by phone at (909) 364-2711.

A second Workshop has been set for Wednesday, February 19th from 5:00 – 6:30 p.m. Staff will present information that includes a review of the top items desired by the community, and a list of “best candidate” park sites. Neighbors of the identified park sites will receive notification by mail that that their neighborhood park has been identified as a potential dog park location, and an invitation to the February 19th workshop.

The Parks and Recreation Commission has tentatively scheduled discussion of the dog park at their March 19th meeting after gathering information at the two workshops. For additional information, please call (909) 364-2711.
