PARKS AND RECREATION COMMISSION SETS SECOND DOG PARK WORKSHOP - WEDNESDAY, FEBRUARY 19th

The Chino Hills Parks and Recreation Commission will hold the second workshop in a series of meetings with the community as they review opportunities to potentially create a dog park in the City. The Dog Park Workshop will be held on Wednesday, February 19th from 6:00 – 7:30 p.m. in the Council Chambers at City Hall, 14000 City Center Drive. The start of the regular Parks and Recreation meeting will be delayed until 7:45 p.m. Staff will provide a recap of the January workshop and information gathered, and will review three park sites that have met the criteria identified as being important for a dog park. The three parks identified for further study include Alterra Park, Butterfield Park, and Vellano Park. Notices with details about the February 19th meeting have been sent to neighbors of the three parks to include them in the discussion. In all, over 600 letters were mailed.

The second workshop will include smaller group discussions and review of each park site with the main points being presented to the entire group. Persons who are unable to attend are invited to submit their input by sending an email to cfructuoso@chinohills.org or by phone at (909) 364-2711.

The Parks and Recreation Commission has tentatively scheduled discussion of the dog park at their March 19th meeting after gathering information at the two workshops. For additional information, please call (909) 364-2711.
