CELEBRATE EARTH DAY ON APRIL 5th

Join the City of Chino Hills for some family fun in honor of Earth Day, on Saturday, April 5th. From 9:00 a.m. to 1:00 p.m. free activities will be underway at the McCoy Equestrian & Recreation Center, 14280 Peyton Drive. Participants will receive a passport that they can have stamped at each Earth Day activity. Republic Services has donated a bicycle and helmet which will be awarded to the person who wins the Recycle Guessing Game by coming closest to guessing the number of aluminum cans in the bale of crushed cans. Crafts and games with a recycling theme will be played throughout the day. Sustainability and conservation information will be featured. There will also be “how to” demonstrations and nature garden activities. Learn about how pollution damages the watershed at the interactive watershed contamination demonstration. Cal Poly Pomona students will have a people-powered bicycle blender so participants can pedal to make their own smoothies. Other educational stops will help participants fill their passports. For more information, please call (909) 548-0868.
