### **REMINDER – NO PARKING ON STREET SWEEPING DAY**

The City of Chino Hills would like to remind residents that parking on the street is not allowed on street sweeping day. School is out and more people will be home between 8:00 a.m. and 4 p.m. Monday through Friday when streets are swept. Residents should take note of signage posted at the entrance of their neighborhood, and neighborhoods they visit, to determine the street sweeping day. The information is also available online at [www.chinohills.org/Streetsweeping](http://www.chinohills.org/Streetsweeping). Tickets are not issued on City-recognized holidays including July 4<sup>th</sup> and Memorial Day.

The City has a courtesy program to allow residents three street sweeping exemptions per year under certain circumstances. For example, if a resident has contractors working at the house, they may request an exemption. Please note, if permits are required for the work being done, City staff will verify that permits have been pulled for the work before allowing an exemption. Recreational vehicles (RV) may qualify for an exemption but they must have first obtained the free Temporary Parking Permit that is required to park an RV on the street at any time. Visit [www.chinohills.org/RVParking](http://www.chinohills.org/RVParking) for more information on RV parking. Other requests considered might include special gatherings such as luncheons, events, or parties. Exemptions are not permitted simply to accommodate households that have more cars than can fit in the driveway at a residence. At least one business days' notice is required to guarantee an exemption. Please call (909) 364-2757 to submit your request for an exemption.
