### CHRISTINA AGUIRRE HONORED AS EMPLOYEE OF THE YEAR

Christina Aguirre has been selected as the City's Employee of the Year for 2014. She was honored by her fellow employees for her ability to professionally and effectively work across all City Departments to handle the purchasing needs for the City. Christina is efficient, organized, and always willing to assist employees with a positive attitude despite a heavy workload. She looks for every opportunity to save the City money. She completed some important long-term projects that required strong collaboration with a City-wide team including the development of the Purchasing Policies and Procedures Manual and the Cost Allocation Study. Christina is the "go to" person in the Finance Department and plays a key role in the budget process by ensuring that key deadlines are met.

Her connection with the City started in 1999 in the Community Services Department where she worked as a part time Recreation Leader in various programs through 2004. In 2006 she returned and was promoted to Permit Technician I in the Community Development Department where she worked her way up to Administrative Technician. In 2009, she was promoted to Administrative Analyst I in the Finance Department. Christina currently serves as the Management Analyst II in charge of purchasing for the City.

Christina graduated from Ayala High School in 1996. She and her two sons are active in Chino Hills, attend local schools, and participate in sports. Her oldest son plays baseball with the travel team Chino Hills Dirt Dawgs.
