SUMMARY

Deputies from the Chino Hills Station arrested a felon in possession of a loaded assault rifle during a routine traffic stop, which led them to an illicit identity theft ring being conducted from a nearby hotel room.

Joseph Sisenia, from Los Angeles, was contacted during a traffic stop with two female passengers in the car. He originally gave an identification, which was later found to be fraudulent, with a different name on it. Upon a record search of the occupants, deputies discovered Skye Kelley had an active warrant for her arrest. The other female passenger, Aimee Rodriguez, was in possession of and under the influence of a controlled substance. Deputies discovered Sisenia's true identity and learned he was on felony probation for identity theft out of Montclair.

Deputies searched the vehicle and found a loaded assault rifle with high capacity magazine. Additional ammunition was discovered in the car as well. Deputies also recovered several Green Dot cards, gift cards, credit cards, materials to make checks and items used to commit identity theft. Green Dot cards are commonly used to launder the illegal proceeds of identity theft by funneling it to a generic, prepaid credit account. During the course of the investigation, deputies learned the suspects had been staying in a nearby hotel room. A search at the hotel room uncovered more suspected narcotics and evidence of identity theft related to a Chino Hills mail theft case from December of 2014.

All the evidence was recovered by detectives, who will attempt to locate additional victims. The suspects were booked at West Valley Detention Center for their respective crimes:

- Sisenia, Joseph: PC 530.5(a), identity theft; PC 32310, possession of a high capacity magazine; PC29800(a)(1), felon in possession of a firearm; PC32, conspiracy to commit identity theft.
- Rodriguez, Aimee: PC 530.5(a), identity theft; PC32 conspiracy to commit identity theft.
- Kelley, Skye: active arrest warrant for weapons.
- Chacon, David: PC3056, violation of parole.
