CHINO HILLS CITY COUNCIL SEEKS APPLICANTS FOR HEALTHY CITIES STEERING COMMITTEE

Residents who are interested in serving on the City of Chino Hills Healthy Cities Steering Committee (Healthy Cities) are invited to complete an application for consideration. The City Council voted recently to accept applications so that each member of the City Council may appoint one resident to serve on Healthy Cities. Each Council Member will recommend an individual for appointment, which must be affirmed by the City Council. The term of the appointment matches the term of the appointing Council Member.

Healthy Cities was formed in 1994 and revamped in 2014. The Committee was established to assist in assessing community needs, defining health priorities, and developing programs to enhance the quality of life within the community. Meetings are held quarterly, on Mondays at 6:00 p.m., to evaluate and recommend programs that meet the Committee's goals through the use of a variety of service providers. Programs operating under the Healthy Cities umbrella are as varied as enrichment programs for all ages, fitness and hiking programs, opportunities for youth involvement, health and wellness seminars, and more. A complete list is noted on the application.

The Healthy Cities Committee will be comprised of 25 people including City Commissioners; students at the High School and college level; and representatives from Chino Valley Unified School District, Chino Valley Chamber of Commerce, Chino Hills Police Department, County of San Bernardino, Chino Valley YMCA, Chino Valley Fire District, five residents appointed by the Committee, and five residents appointed by the City Council.
