Landscape Workshop for Homeowners April 23rd Register by April 16th

The City of Chino Hills will host a FREE Landscape Workshop on Thursday, April 23rd from 6:00 – 9:00 p.m. at the Chino Hills Community Center, 14250 Peyton Drive. This workshop will teach participants how and when to prune and maintain various plants and trees. In addition, environmentally safe and effective ways to avoid and reduce pest problems in the garden will be covered. Free handouts, door prizes, and refreshments will be available. The workshop is free but registration is required by April 16th online at www.chinohills.org/WaterWiseWorkshop or by calling (909) 364-2804. Space is limited!
