SUMMARY

Chino Hills detectives arrested a Chino Hills probationer for the burglary of the Kindercare child care facility.

Reynaldo Sabedra, who is on formal felony probation for burglary, was taken into custody after investigators recognized him on video surveillance following the weekend burglary of the Kindercare facility.

Management from the Kindercare facility reported the burglary Monday morning, saying the center had been broken into and a suspect had ransacked offices and three buses belonging to the facility. The suspect stole electronics and keys, valued at more than \$1,000.

The property manager provided Chino Hills deputies with surveillance footage from various angles. Once the video footage was reviewed, deputies immediately recognized Sabedra. Sabedra was taken into custody by a San Bernardino County Probation Officer assigned to the Chino Hills Station and brought to the Chino Hills station for questioning. As a result of the information learned during his interview, Sabedra was arrested.

He was booked at West Valley Detention Center for PC 459, Burglary and is pending a violation of probation as a result of the arrest.
