### **BILL BRYAN – HIGHLIGHTED VOLUNTEER OF THE QUARTER**

Bill Bryan, a Chino Hills resident since 1991, has been selected as the Highlighted Volunteer of the Quarter. Bill serves on the Special Olympics Southern California Board of Directors and proposed to the City that Chino Hills could become a Host Town for the World Games LA 2015. He secured the support of major partners, including Cal Poly Pomona, who agreed to provide accommodations, meals, and practice facilities for the athletes. Bill served on the Chino Hills Host Town Committee and spent many hours raising financial support, planning activities, and assisting the athletes from Laos and Poland. In addition to volunteering with AYSO and many other charitable organizations, he has also been a past President of Kiwanis. Bill has been very active in a number of cancer organizations, including the Susan B. Komen organization, after losing his wife to the disease in 2012.

Bill retired as Vice President of the Business Customer Division after a 41-year career with Southern California Edison where he was responsible for the company's interface with governmental entities. During his spare time, Bill enjoys spending time with his mom, his five children, and eight grandchildren who live nearby. He also enjoys playing golf, volunteering for sports programs, attending Inland Hills Church, and caring for his grandchildren. Bill is proud to volunteer and help others achieve their goals. He values the opportunity to lead by example and enjoys motivating others to volunteer as well.
