BEN MONTGOMERY HONORED AS EMPLOYEE OF THE YEAR

Chino Hills, CA - Ben Montgomery has been selected by his fellow employees as the City's 2015 Employee of the Year for the great job he does representing Chino Hills. He is well known for approaching his job thoughtfully and carefully, while always keeping the City's best interest at heart.

During his tenure, he has been assigned challenging tasks, including the recent "Getting 2 Zero" initiative to reduce the number of dogs euthanized. When working with residents, he always has a fair and reasonable approach in finding solutions for challenging concerns. He was hired in January of 2006 as the Neighborhood Services Manager and has worked in several different Departments since then, taking every opportunity to widen his skill set towards contributing to City Hall. In July of 2015, he was promoted to Deputy City Manager. Ben serves as a mentor, working to develop fellow employees by providing opportunities to discuss personal advancement, career goals, and education goals. As Employee of the Year, he continuously serves as a role model with great work ethic.
