HIKING IN THE HILLS WITH THE CITY OF CHINO HILLS

Chino Hills, CA – The City of Chino Hills will help residents discover the beautiful trails of Chino Hills. This six-week “Hiking in the Hills” program provides hikers with a new excursion every Saturday morning as they explore the City’s trails and parks. Hikers will average two to four miles every outing and will be led by the City’s Recreation staff. All hikers should wear appropriate clothing (i.e. hiking boots, hats, and sunscreen). Water and nutritious snacks will be provided. Hikers must be 18 years of age or older. The fee for the six-week program is \$30. Hikes take place every Saturday from March 12th to April 23rd. The meet time before each hike is 8:00 a.m. Two weeks prior to the class starting, Recreation staff will mail a letter to participants indicating the location for the first hike. At the first hike, staff will distribute the packet with all the hikes and meeting locations.
