**WATER AWARENESS VIDEOS AND DIGITAL ART CONTEST
OPEN TO MIDDLE SCHOOL, JUNIOR HIGH, AND HIGH SCHOOL STUDENTS
DEADLINE – MARCH 10th**

Chino Hills, CA – Middle school, junior high, and high school students from Chino Hills are invited to submit audio/video content and digital art to compete in the 21st Annual Water Conservation Contest sponsored by the Water Education Water Awareness Committee (WEWAC). For an application and submission details, please visit www.usewaterwisely.com and click the “Media Contest” icon on the bottom left side of the home page. Entries must be postmarked or delivered by 5:00 p.m. on Thursday, March 10th.

Prizes will be awarded to the school, not the individual, and there will only be one winner per school. First place will win up to \$300, second place will win up to \$200, and third place will win up to \$100. The first place winner’s class will receive up to \$100 for a pizza party. For good examples, videos from prior winners are on the WEWAC website at www.usewaterwisely.com.

The City of Chino Hills is a member agency of the WEWAC Committee. The contest strives to increase awareness of the importance of water in Southern California and to enhance group participation. Possible water conservation topics include how to conserve water inside your home, garden, etc. For additional information, please call Andrea Carruthers, representing WEWAC, at (909) 993-1935, or email acarruthers@ieua.org.
