THE CITY OF CHINO HILLS PRESENTS SNAP (SPECIAL NEEDS ACTIVITY PROGRAMMING)

Chino Hills, CA – The City of Chino Hills is launching SNAP (Special Needs Activities Programming) with a social gathering that will take place on Saturday, April 16th from 1:30 to 3:30 p.m. at the Chino Hills Community Center, 14250 Peyton Drive.

Parks and Recreation Commissioner Dave Seltzer has been an advocate for special needs residents of all ages. He created a non-profit organization called "Chelsea's Friends" and hosted an event that was very successful. As a result, the City of Chino Hills developed the SNAP program to plan events and activities to fill an unmet need in the community.

This first event is in partnership with Chelsea's Friends and is free for all ages to attend. There will be an entire afternoon of activities including light refreshments, interactive music, arts and crafts, and a community workshop to find out what future programs the special needs community would like to see offered.

For more information call (909) 364-2700.
