Chino Hills, CA – Chino Hills residents have priority to register for the City's summer swim lessons starting on Monday, May 23rd. Online registration for residents begins at 7:30 a.m. Residents must visit www.chinohills.org/RecOnline and follow the steps to create an account. Residents may also submit mail-in registration using the form on page four of the City's Summer Recreation Guide & City News, which has been delivered to residents. The form is also available at www.chinohills.org/RecOnline, click on the Recreation Brochure and print page four. Mail-in registration from residents postmarked prior to Friday, May 20th will be returned without exception.

Non-residents may check availability and register online, in person, and by mail, for swim lessons starting Wednesday, June 1st if spaces are available. Mail-in registration from non-residents postmarked prior to Tuesday, May 31st will be returned without exception.

The City's swim lessons will be at Chino Hills High School for Sessions 1 (June 20-24), 2 (June 27 – July 1) and 3 (July 5 – 8). Swim lessons at Ayala High School will be during Sessions 4 (July 11 – 15), 5 (July 18-22), 6 (July 25-29), and 7 (August 1 – 5). Class start times vary by age. For additional information, please review page 15 of the City Recreation Guide or contact the Community Services Department at (909)364-2700.

This year for the first time, swim lessons are offered in one-week sessions with 45-minute classes. Previously, 30-minute classes were offered in a two-week session. The City of Chino Hills made the change in response to feedback received to provide more flexibility for family schedules.

The City's refund policy has changed. Requests for refunds for swim lessons must be submitted in writing and turned in 10 business days prior to the start of the session. Refunds will be honored if your spot in the swim lesson can be filled with someone on the waitlist. A refund request form is available at the Chino Hills Community Center. A \$4 processing charge will be deducted and a refund or credit will be issued. If the amount to be returned is over \$99, a refund will be issued. For amounts of \$99 or less, the customer may choose a refund or a household credit (valid for 3 years).
