SOUTHERN CALIFORNIA EDISON PROJECT ON PEYTON DRIVE SET TO START MONDAY, OCTOBER 24TH

Chino Hills, CA – A Southern California Edison project is set to begin on Monday, October 24th in the northbound lanes (east side) of Peyton Drive between Chino Avenue and Boys Republic Drive. The project includes the installation of underground conduits along Peyton Drive, the digging of a trench within the existing bike lane, and restoration of the pavement. The first phase of the work is scheduled from October 24th to November 18th and will result in lane closures. Work hours are Monday through Friday from 7:00 a.m. to 3:30 p.m. Lane closures are prohibited before 8:00 a.m. (9:00 a.m. on Mondays), and after 2:00 p.m. from Grand Avenue south to Eucalyptus Avenue. Closures will only occur during work hours unless unforeseen circumstances arise. Two-way traffic will be maintained at all times.
