17TH ANNUAL WATER CONSERVATION DESIGN-A-SIGN CONTEST APPLICATIONS DUE MARCH 17TH

Chino Hills, CA – The 17th Annual City of Chino Hills Water Conservation Design-a-Sign Contest is fast approaching. Participants will use their art skills to create a sign which depicts this year's water conservation theme, "Do Your Part, Be Water Smart!" Winning posters from each grade level will be made into signs and displayed at City Hall before being installed at schools and parks throughout the City. The contest is open to students in Kindergarten through 12th grade, who live in Chino Hills or attend school in Chino Hills. Entries must be submitted by Friday, March 17th at 4:30 p.m., to the Recreation Office, located on the first floor (to the right) at City Hall, 14000 City Center Drive.

The contest includes grand prizes in four age categories. Students in Kindergarten will have the opportunity to win a Kindle Fire for kids; students in 1st through 3rd grade may win a Kindle Fire HD with 8 inch display; students from 4th through 6th grade may win a Lexibook 7 inch Laptab Android Computer; and students from 7th grade through 12th grade may win an Acer Aspire 15.6 inch laptop. Teachers with 100% participation from the students in their classrooms will be entered into a raffle to win a \$100 gift card to Staples.

The contest rules and application are now available on the City website at www.chinohills.org/DesignASign. Late entries will not be accepted. For additional information, please call (909) 364-2700.
