## **RESIDENTS ENCOURAGED TO PROVIDE INPUT ON PARK FACILITIES, PROGRAMS, AND ACTIVITIES AT SEPTEMBER 20<sup>th</sup> WORKSHOP**

Chino Hills — The Chino Hills Parks and Recreation Commission will hold the second of two scheduled community workshops, from 5:30 – 7:00 p.m. on Wednesday, September 20<sup>th</sup>, to provide residents with an additional opportunity to share their ideas about recreation programs, activities, and park facilities in Chino Hills. The workshop will be held in the Chino Hills City Council Chambers at City Hall, 14000 City Center Drive. Input gathered will be used as part of the effort to update the 2007 Parks, Recreation, and Open Space Master Plan, which serves as a guide as the City considers new facilities and amenities to help meet the recreational needs of the community.

Those who attended the first workshop on August 16<sup>th</sup> were broken into groups to discuss their ideas with one another. Each group then made a presentation to the entire group. The second workshop will follow the same format.

The current Master Plan is available to review at [www.chinohills.org/MasterPlan](http://www.chinohills.org/MasterPlan). A survey may be completed online at [www.chinohills.org/RecreationSurvey](http://www.chinohills.org/RecreationSurvey). Thoughts and ideas may also be submitted via email to the Parks and Recreation Commission Secretary, Emily Ortiz, at [eortiz@chinohills.org](mailto:eortiz@chinohills.org). For additional information, please call (909) 364-2710.
