WATER RATE INCREASE DELAYED IN CHINO HILLS

Chino Hills, CA – Water rates in the City of Chino Hills were set to increase on July 1, 2018. New utility billing software is required to implement the new budget-based rates. According to Finance Director Christa Buhagiar, staff has been working diligently on the implementation of this new software, but further testing is still required. Water customers should expect to see the new rates on their August bills. Customers will be required to create a new log in to access their account online or make payments online.
