GROUNDBREAKING AT LOS SERRANOS PARK SEPTEMBER 17, 2018

Chino Hills, CA – The public is invited to celebrate the groundbreaking of the City's long-awaited Los Serranos Park on September 17 at 10:00 a.m. at the Chaparral Elementary School basketball courts, 4849 Bird Farm Rd, Chino Hills, CA 91709. This is the first time the City will build a park on land it doesn't own. Construction has been made possible by an agreement that was reached with the Chino Valley Unified School District.

Located on six acres next to Chaparral Elementary School, the \$4.8 million Park will feature a full basketball court, picnic gazebos, restrooms, a walking path, playground, and a turf area.

The Chino Hills Community Foundation committed to a donation to pay for playground equipment. Thanks to some generous donors, the Foundation's donation has increased from \$150,000 to \$173,000. The Howard and Nikki Applebaum Foundation contributed \$3,000 for special needs play equipment; and, the McCombs Family Foundation donated \$20,000 towards Los Serranos Park.
