“ADOPT-A-FAMILY” PROGRAM SEEKS APPLICATIONS FROM CHINO HILLS FAMILIES IN NEED

Chino Hills, CA – The City of Chino Hills established the “Adopt-A-Family” program in 2005 to assist families who face difficult financial hardships. These circumstances may prevent them from providing food, clothing, and gifts for their families during the holiday season. To qualify for the program, families must live in Chino Hills and submit a completed application by 4:00 p.m. on Friday, October 26. The application is available at www.chinohills.org/AdoptAFamily and at the Recreation Office at Chino Hills City Hall, 14000 City Center Drive. Paperwork required for the application includes: proof of Chino Hills residence, a 2017 Tax Form Schedule EIC or birth certificate to identify dependents in the home, proof of income (two recent paycheck stubs, W-2 form, or disability/unemployment paperwork, 1099), and a CALWORKS benefit form. For additional information, please call (909) 364-2730. For assistance in Spanish, please call (909) 362-2737.

Residents, local families, and community groups may “adopt” one or more of these families and provide them with the items they need for a happy holiday season. Donors must complete a donation form and submit it by 5:00 p.m. on Friday, November 16 to the Recreation Office at City Hall, 14000 City Center Drive, or online at www.chinohills.org/AdoptAFamily. Donors may select a small, medium, or large family to “adopt.” The family’s Christmas wish list will be provided no later than Monday, November 19.

Adopt-A-Family donors are required to drop off their wrapped and labeled gifts at the McCoy Residence, 14280 Peyton Drive, from 8:00 a.m. to 7:00 p.m. on Monday, December 3.

Persons who are unable to “Adopt-A-Family” but would like to donate a gift card to be used to purchase gifts for a family, are encouraged to complete the online form and mail or drop the gift card off at the Recreation Office at Chino Hills City Hall, 14000 City Center Drive. For additional information, please call (909) 364-2730.
