GOVERNMENT CENTER PARKING LOT PAVEMENT WORK SCHEDULED DEC. 22 – 30

Chino Hills, CA – Pavement maintenance will be underway in the parking lots at the Chino Hills Government Center Dec. 22 – 30. The schedule takes advantage of holiday closures and less foot traffic. Striping will be removed and cracks sealed on Saturday, Dec. 22 and Sunday, Dec. 23. A sealcoat will be applied in three phases so parking areas will be closed in sections from Dec. 26 – 30. Rain could affect the schedule.

Phase 1 is scheduled Wednesday, Dec. 26 and Thursday, Dec. 27 in the parking lot between the Chino Valley Fire District and Boys Republic Drive; the parking lot and driveway between the Police Department and City Hall; and, the parking lot between City Hall and the parking structure.

Phase 2 is scheduled Thursday, Dec. 27 and Friday, Dec. 28 in the parking lot and City Center Drive north of the Chino Valley Fire District; and the driveway from Peyton Drive to the Library entrance.

Phase 3 is scheduled Saturday, Dec. 29 and Sunday, Dec. 30 in the Library's parking lot adjacent to Peyton Drive and Boys Republic Drive; and City Center Drive adjacent to the parking structure.

All agencies at the Government Center and Saint Paul the Apostle Catholic Church have been notified of the project schedule.
