HEALTHY HILLS WALKING CLUB MEETUP APRIL 13

Chino Hills, CA –The Healthy Hills Walking Club introduced a series of four quarterly walking meetups in 2019 to promote a more active and healthy community. City staff will lead each walk that will loop through a different neighborhood. The program is free and all ages are welcome. The second Walking Club meetup will be for a 2.15-mile walk at 7:30 a.m. on Saturday, April 13, at Butterfield Park, 17671 Mystic Canyon Drive.

As part of the Healthy Hills mission to create healthier lifestyles, residents are encouraged to reach a goal of one million steps this year. Participating in the quarterly walking club can help add some steps toward reaching that goal. Residents may visit www.chinohills.org/HealthyHills to use an online form to log their steps. Future meetups will take place on July 13 and October 12. The location, time, and distance of each meetup will be publicized prior to each event. For additional information, please call (909) 364-2700.
