## HIGHLIGHTED VOLUNTEER MARY FAULHABER

Chino Hills, CA – Chino Hills resident Mary Faulhaber, has been selected as the City's Highlighted Volunteer. After retiring from a 27-year career with Air Canada, Mary Faulhaber has been able to enjoy what she is passionate about, volunteering.

"I enjoy giving back to the community. It has always been part of my lifestyle. I find it rewarding to work with so many wonderful people. The volunteers in Chino Hills are great and working together for a common goal is very satisfying," said Mary.

Mary began giving back to the community through Air Canada's non-profit organization, Dreams Take Flight, a charity that sends children on the trip of a lifetime to Disney World. She volunteered for a total of 24 years, serving in leadership roles on the Board of Directors for 20 years including terms as president, vice president, treasurer, and secretary. After living in Canada for 30 years, she moved to California. Thanks to her sister, Kathleen Smith, Mary was introduced to the Chino Hills Community Foundation where she would begin her next journey of charitable work.

-more-

Kathleen became a Foundation Board Member and Mary dedicated her time to volunteering for the main Foundation events - Wine Walk, Home Tour, and the Jazz & Blues Festival. She started by keeping track of volunteers for a few events, but has now taken on the responsibility of coordinating all volunteers for all events. Mary also recruits volunteers, plays a leading role in soliciting donations for the Foundation, and helps manage the auction items during the Home Tour.

Mary spent two years volunteering for Soroptimist International and is currently serving on the Board of the Christian Women's Connection. Mary moved to Chino Hills in 2007. She and her husband Peter have been married for 17 years. She is a proud mom, and grandma of four granddaughters who also live in Chino Hills. Mary enjoys the opportunity to travel with her husband through his work with the United Nations. He is currently posted in Eastern Europe and she plans to visit him every two months.
