Chino Hills, CA – The City of Chino Hills is processing no cost temporary use permits to assist business uses that have been mandated by the State of California to close indoor operations. Restaurants and retail food facilities; retail businesses; religious facilities; and businesses offering personal services such as hair salons, barber shops, nail salons, and massage services, are encouraged to contact the City to take advantage of a streamlined, simplified process, to review applications to move operations outdoors. In addition, application requirements and permit fees for temporary banners have been waived.
