**COVID-19 UPDATE:
CHINO HILLS REOPENS BASKETBALL COURTS AND MCCOY
WARM-UP ARENAS FOR OUTDOOR RECREATION ON APRIL 1**

Chino Hills, CA – The City of Chino Hills will reopen basketball courts and warm-up arenas at the McCoy Equestrian and Recreation Center for individual recreational use on Thursday, April 1. While offices at the McCoy Equestrian and Recreation Center remain closed to the public, arena restrooms will be available for public use. The Community Center building will also reopen for limited use of restrooms only on Monday, April 5.

Warm-up arena gates will be open and unlocked Mondays – Thursdays from 8:00 am – 5:00 pm and Fridays from 8:00 am – 4:00 pm. If visitors are towing horse trailers and need driveway access off English Road to park near the arenas, please call the Community Center office at (909) 364-2826.

A maximum capacity of three horses is allowed in each warm-up arena at the McCoy Equestrian and Recreation Center, and riders must always remain on horseback while in the arena. If other riders are waiting, the City asks riders actively utilizing the arena to limit their visit to 30 minutes. Face coverings are required when visitors are not actively engaged in horse riding and are within six feet of non-household members.

Visitors are encouraged to follow the recommended precautions to stop the spread of COVID-19 when utilizing the basketball courts and warm-up arenas. These include limiting gatherings by only visiting with household members and maintaining physical distance of at least six feet from non-household members, wearing face coverings over the mouth and nose for everyone two years of age or older, and hand washing or sanitizing frequently. If park and outdoor recreation facilities are crowded, visitors are encouraged to return at another time to avoid crowds.

The City of Chino Hills remains committed to the health and wellness of all residents and City Staff. Facility openings and closures are subject to change and will be modified in accordance with State guidelines. For additional information and updates related to the ongoing COVID-19 pandemic, please visit www.chinohills.org/Coronavirus.
