

**NOTICE TO ALL PROSPECTIVE BIDDERS:
ADDENDUM NO. 1
City of Chino Hills
Backflow Prevention Device Testing, Repair, & Installation
Request for Proposal (RFP)**

1. Replace "Exhibit B" with the Attached "Exhibit B – Addendum #1." The purpose of this change is to clarify the pricing for retest and to delete the "standard install" cost.
2. Correct the Evaluation Criteria, section B to the following:
 - B. Proposals will be evaluated on the criteria specified below:
 - Approach to the work including, but not limited to, task breakdown and staffing, fifteen percent (15%).
 - Reports of references, and the experience and technical competence of the firm and key people on similar projects of equal complexity, twenty percent (20%).
 - Fee Proposal, sixty-five percent (65%).
3. All other aspects of the RFP remain.
