

Adopt-A-Family

Thank you for your interest in the Chino Hills Adopt-A-Family program.

The City of Chino Hills established the "Adopt-A-Family" Program in 2005 to assist families experiencing financial hardship and/or circumstances that may prevent them from providing food, clothing, and/or toys for their families during the holidays. Families in need are then "adopted" by residents, local businesses, or community groups to provide them with the items they need so they may have a happy holiday season. Families qualify for the program through an application process.

This program is designed for low-income families. The City uses the San Bernardino County median income adjusted for family size as provided by the U.S. Department of Housing and Urban Development (HUD) when reviewing applications.

Applicants must be current Chino Hills residents and provide requested information outlined below. Families who have been adopted for two consecutive years may not be placed in the top priority category. Acceptance is not based solely on income as special circumstances will be considered.

Application Process

Each family must complete their application and submit the required paperwork. City staff will review the applications and select the families that qualify. Families will be notified by email about the status of their application.

How: Fill out an application and submit all required documents listed below and submit to the Chino Hills Community Center, 14250 Peyton Drive.

When: Deadline to apply is Monday, November 14, 2022.

Required Documents

- Proof of Chino Hills residency in the form of a utility bill, state issued I.D., or rental agreement.
- 2021 Tax Form Schedule EIC or birth certificate to identify dependents in your home.
- A copy of your two most recent paycheck stubs, a 2021 W-2 form, disability/unemployment paperwork, or a CalWORKs benefit form (if you receive aid). A 1099 form is required if you own a business.
- Adopt A Family application and Wish List.

Important Notes

Wish lists provided by qualified families will be used as a guideline for donors. Donors will be asked to prioritize the listed needs of children under the age of 18, followed by any wish list requests. Additional gifts for adult family members, such as parents or adult children 18 years and older, are optional and not guaranteed. Donors are asked to provide 4-6 items per child. Please do not request large items such as game consoles or large electronics.

Personal information included in the application will not be provided to the donors.

If you have any other questions about this application or the Adopt-A-Family program, please contact the Program Coordinator at (909) 364-2701 or jvelasco@chinohills.org.
