SAN BERNARDINO – The California Department of Transportation (Caltrans) continues work on the Pavement Rehabilitation Project on State Route 60 (SR 60) as part of the 60 Swarm to repair deteriorated pavement slabs.

The first 55-hour weekend closure will address westbound SR 60 from I-15 to Milliken Avenue.

#### **Friday, September 18, 10:00 p.m. through Monday, September 21, 5:00 a.m. (continuous closures):**

- The westbound SR 60 HOV and #1 lane will be open to all traffic.
- The northbound I-15 connector to westbound SR 60 will be closed.
- The southbound I-15 connector to westbound SR 60 will be open.
- The westbound SR 60 Milliken off and on ramps will be closed.

#### **Ongoing Closures:**

- Westbound SR-60 from Country Village Road to Wineville Road, lanes have been reduced from five lanes to three lanes to allow for accelerated pavement work.

- A traffic reconfiguration is in place on SR-60 from Archibald Avenue to Euclid Avenue during the project allowing daytime work to take place behind k-rail.

The speed limit will be lowered to 55 miles per hour within the project limits. **Signage is posted instructing motorists that the HOV lanes are available for all traffic within the construction zone during the lane closures.** Construction work may cause minor vibrations and noise during construction hours. We appreciate your patience while crews work diligently to complete the project.

Motorists are advised to use State Route 91 (SR-91) and Interstate 10 (I-10) around the 60 Swarm construction to avoid delays. Local businesses are open during the project.
