

City of Chino Hills

PUBLIC WORKSHOP

FOR THE

2021 - 2029 HOUSING ELEMENT UPDATE

**February 2, 2021
7:00 P.M. on ZOOM**

Chino Hills residents are invited to this Public Workshop to discuss the process and to provide input. Those interested are invited to attend the meeting virtually or by telephone via ZOOM. Visit the City website at www.chinohills.org/HousingElementUpdate for meeting details.

The Housing Element is one of the mandatory elements of the General Plan, and State law requires that it be updated every eight years. The Housing Element includes analyses of the community's housing needs; opportunities and constraints; and the policies and programs to facilitate the construction, rehabilitation, and preservation of housing for all economic segments of the community. The City is required by State law to prepare an updated Housing Element for the 2021-2029 planning period. The workshop will provide an opportunity for the public to learn about the latest requirements for the Housing Element, including recent State mandates and legislation that will need to be addressed. You are invited to share your thoughts and ideas about the housing needs and opportunities within the City of Chino Hills.

Those interested are invited to participate in the meeting and submit oral or written comments. Written comments may be submitted via email prior to the meeting to the Community Development Department at communitydevelopment@chinohills.org.
