Project Title: Shady View Residential Project

Project Applicant: TH Shady View LLC and Optima Conservation Resources Exploration, LLC

Project Location (include county): South of southern termini of Shady View Drive and Via La Cresta, City of Chino Hills, San Bernardino County; Assessor Parcel Numbers (APNs): 1025-561-04, 1025-561-5 and 1025-561-06

Project Description: The project proposes the development of a single-family residential subdivision. The proposed subdivision would consist of 159 single-family residential homes, a community recreation center, private interior streets, debris basins, utility infrastructure, and other associated improvements. Additionally, the project includes approximately 80.8 acres of homeowners' association-maintained open space. The proposed project is designed to be consistent with the City of Chino Hills General Plan and Chino Hills Zoning Code. The existing General Plan land use designation is split between two residential land uses, Agriculture Ranch and Low Density Residential. In addition, the zoning for the property is split between two residential zoning districts, R-S Low Density Residential and R-A Agriculture/Ranches. The location of the split occurs at the same location for both land use and zoning. As proposed, all residential development would occur in the Low-Density Residential land use designated, R-S zoned portion of the site. The project consists of four main components: (1) residential development; (2) oil tank removal and construction; (3) amenities and open space; and (4) access, circulation, and parking.

This is to advise that the City of Chino Hills has approved the above
